

Introducing a new database opportunity for Nebraska Libraries

Patrons can download up to three DRM-free songs per week and keep them—forever!

The more libraries that subscribe, the bigger discount you get! Discounts begin at 10% with 12 libraries participating and up to 45% with 80 libraries participating!

Contact Sarah Warneke for information about using Freegal at nelsdirector@gmail.com or Kyle Wiseman, Freegal sales rep at kylew@libraryideas.com for subscription information.
